Hattori Law

An International Business Law Firm dedicated to providing legal service for Foreign Investment in Japan

---

Bridging Japan and Foreign Countries

Thank you for visiting Hattori Law website. We have expertise to support foreign investors in Japan. As you may know, Japan is literally **"Japanese Language Society"**, meaning, almost everything should be done in Japanese. This is obvious, but you might feel it profoundly when you start your business here in Japan. Or you might need a business consultant for your Japan business since it's a little bit different from American or European one.

Our Unique Advantage

Hattori Law has a **bilingual lawyer**. He is a **Triple Qualified Lawyer** in Japan, California, and New York, USA. We have experience supporting various companies including construction companies, funds, startups, entertainment companies, and so forth. Our lawyer has business and public sector experiences. We could support you with **business, legal, and public affairs perspectives**. We do our best to be the right law firm for you.

Core Practice Areas

- Foreign Investment in Japan
- Cross Border Business Negotiation
- Compliance & Crisis Management
- Real Estate Development
- Hospitality Business
- Renewable Energy
